Subject: Urban housing program – cost of leasing

QUESTION

What is the overall cost of leasing homes as part of the urban housing program for the financial year 2021–22?

ANSWER

The overall cost to the department for leasing homes a part of the urban housing program for the reporting period to 31 March 2022 is \$13.7m. The full 2021–22 Budget is \$16.7m. This includes 205 houses under social head lease and 395 under affordable rental housing.
