Subject: Repairs and maintenance budget for the Tennant Creek DIPL office

QUESTION:

What is the repairs and maintenance budget for the Tennant Creek DIPL office?

ANSWER:

The Tennant Creek DIPL office is within the NT Government (NTG) Leichhardt Street complex which encompasses multiple NTG divisions and buildings.

The Tennant Creek DIPL office administers the maintenance for the complex, inclusive of the Government Centre located on Peko Road, Tennant Creek. Repairs and maintenance is allocated based on merging priorities.

The current allocation relating to repairs and maintenance for the Tennant Creek DIPL office is \$464 800. The associated classifications for the maintenance management is as follows:

- Cyclical Maintenance - \$34 750
- Unforeseen Maintenance - \$106 050
- Specific Maintenance - \$324 000
