

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Ms Boothby to the Minister for Corporate and Digital Development:

FiberSense Technology

Fibresense was installed in Bakewell and down Tiger Brennan Drive as part of a trial announced by City of Palmerston.

1. Who owns the data collected?
2. Can the data be on-sold to other entities?
3. Where does a member of the public go if they have concerns with the technology in their streets (in front of their homes)?
4. Is the data shared between Northern Territory government agencies or Commonwealth government agencies?
5. Is the data collected used by police during investigations of criminal activity?
