Dear LA Scrutiny Committee,

I strongly oppose the Territory Coordinator legislation and urge the Scrutiny Committee to recommend to Parliament that it not be passed.

This legislation gives too much power to the Chief Minister and Territory Coordinator by giving them the power to override many established procedures and laws.

As a rural generalist trainee in the NT, it is evident that this bill goes against our democratic rights in this country and has the potential to heavily impact on our vulnerable populations in the Territory.

I strongly oppose this bill and urge that it not be passed.

Regards  
Dr Sara Catto
