- (c) Where there is a difference between FTE and Headcount (Actual), please provide an explanation for the difference, including any reasons for the use of part-time and casual positions within the overall workforce profile.

Department of Tourism and Hospitality

Full Time Equivalent (FTE) = the proportion of an employee's salary payment to that of an equivalent full-time employee in any given fortnight.
Paid Headcount = Headcount is the count of physical people, so a part-time person would count as one.

The NT Government provides opportunities for employees to balance the demands of work with the needs of family and general health and wellbeing. Flexible work practices are used in the Northern Territory Public Service to attract and retain employees. Flexible work arrangements can include flexibility in relation to an employee's hours of work, or mode of employment such as part-time, and leave.

Territory Wildlife Parks (GBD)

Full Time Equivalent (FTE) = the proportion of an employee's salary payment to that of an equivalent full-time employee in any given fortnight.
Paid Headcount = Headcount is the count of physical people, so a part-time person would count as one.

The Territory Wildlife Parks employs several staff on a casual basis within the visitor services and park guides functions to allow for a pool of staff during seasonal periods.

2. Please advise the number of staff held against the following categories as of 9 December 2024:

4. (a) Please advise the number of Frontline staff as FTE as of 9 December 2024 and as a percentage of the Agency's total employment.

[Territory Wildlife Parks \(GBD\)](#)

Category	Number	Percentage of Total Staff

- (b) Please advise how the Agency determines which staff fall under the category of Frontline.

Frontline staff are staff with an appropriation code of "Direct to Public".

5. Please advise how many staff have been engaged through labour hire, employment agency arrangements and/or consultancy contracts, for what purpose, for what duration and at what cost as of 9 December 2024. Please use the table format presented below for your response.

Nil.

6. Please advise how many locums have been employed, for what purpose, duration, and at what cost as of 9 December 2024. Please use the table format presented below for your response.

Not applicable.

7. (a) How many positions were advertised during the period 24 August 2024 to 9 December 2024?

(d) How many positions that had Special Measures applied were not able to be filled against these requirements during this period and required contract or backfilling arrangements?

Most NT Government agencies have implemented special measures arrangements across the whole agency or for some roles. The process for positions that are advertised with special measures is to consider special measures applicants first; if no special measures applicants apply, or no special measures applicants are considered suitable, recruitment panels may assess all other applicants' suitability for the role.

OUTSOURCING

- 8. (a) For the period 24 August 2024 to 9 December 2024, detail any decision(s) to outsource, contract out or privatise functions that have traditionally been carried out by the Agency.**

Three pieces of work were outsourced due to internal teams not having capacity (vacancies and staff leave):

- Creative layout of tourism grant guideline document – outsourced to Kellaborate at a cost of \$1,000
- Graphic design work for destination management plans – outsourced to KW PX at a cost of \$803.25.

- (b) Is consideration being given to outsource, contract-out or privatise in financial year 2025/26? If so, provide details.**

- Coordination of NT ATDW (Australian Tourism Data Warehouse) tourism listings to ATDW – this function was traditionally carried out by the Agency. Consideration is being given to outsource this function in financial year 2025-26. The costs of outsourcing this to the provider of the digital platform are more cost efficient than employing 1 x FTE to deliver this function. The cost is \$30,000 per annum.

LEGAL EXPENSES

- 9. What has been the expenditure on legal advice or related expenses for the period 24 August 2024 to 9 December 2024? Provide details on:**

 - c) The amount paid to each outside legal firm or barrister engaged.**

The period in question contains data relating to transferring functions and cannot be reconciled at this time. The administrative effort required to respond to this question is unreasonable and would result in undue diversion of resources from service delivery.

What was your favourite part of the Kite Festival?

the kites. Especially the felix kite. I like felix the cat.

Enjoying the kites and free activities

Nothing

Seeing all the people having a fabulous time.

Level of public attendance & interest in the festival

Kites

This festival belongs somewhere other than Cullen Bay. The streets were blocked with people, roads restricted for us who live here and in general this event has outgrown this small stretch of grass and needs to be moved to another venue such as Mindil Beach or Nightcliff Foreshore.

It's lovely to have local events we can walk too.

The Kites however during the day 2023 u had a lot more on display compared to this year, so that was dissapointing

The kites , the cinema movies on the lawn at night & food

What can we do next year to improve your event experience?

Perhaps a bus timetable on display at the point of catching the bus
To ensure access to Marina Blvd. Some residents did not know the road was closed and this was a massive inconvenience. People couldn't access to get to the restaurants for bookings or pick up takeaway.
It wasn't even put on the Cullen Bay Facebook page of the road closure and need for residents to get a permit. Even a large sign to warn a few days out of planned Rd closure to collect permit. If someone has a reservation at a restaurant to allow the business to text the guest a code to show road patrol to let them through to still make their booking. Simple efforts to make sure businesses do not lose out.
Don't Have it, unless you have fire and Ambulance on sight and dedicated parking for bricks and mortar customers.
Move the food vans to the centre car park to engage the restaurants.
Have the event on a Saturday and Sunday.
I think having something in the middle car park (car park 3) and the crocodile park to lure more people further into Cullen Bay would be a good initiative.
Better traffic management
Move the event from Cullen Bay
I think using local restaurants rather than external vendors. Support the businesses already down there. Perhaps offer coupons to go to the local restaurants etc or allow the restaurants to set up offers or stands.
More kites during the day time more shade during the day. Healthy food options for families in the event area.
Have kids & parents (teams) competition giveaways - ie bouncing ball & races on the beach . Everyone is sitting down but the kids want to be active so parents should also join in (not just with kites) . You have music ' should have dancing competition . The businesses could offer vouchers or gifts as prizes for the different competitions .
Definitely more activities for younger kids (preschool age), or be more specific about the times of the kid events.
Public transport, or better communication of the process and wait times.
More engaging activities ex: competitions, waterslide challenge, kite obstacle course, story telling about kites,etc...
Acces in and out of Cullen bay as a resident
Use influencers to create hype and invite to the experience.
Get the local traders involved they had a dreadful attendance re customers
What is the point of the event ? promote kites ? promote Cullen bay ? boost trade in Cullen bay? Give kids a free night out ??????
Was there any money made by the convenors and who did they share it with ?
As a resident it was visually interestiong for a short while , but other than that the traffic was terrible ,parking hard and disruptive..
It would not worry me if it was moved some where else unless there is to be a positive outcome for traders and residents
How about thinking about the Businesses that already exist in Cullen Bay
More kites,
Perhaps provide optional bar service but due to the culture of visitors to the lawns, it would be difficult to make this a fully licensed event.

DARWIN KITE FESTIVAL CULLEN BAY SURVEY (GENERAL PUBLIC)

Did the influx of patrons to Cullen Bay increase sales over the weekend?

No

Na

Yes I am aware of extra sales experienced by the Commercial Operators

I didn't realise it was on there was no posters anywhere around Cullen Bay to remind me don't always get time to read emails as sometimes they're going into spam.

I would like to be prepared next year and at least have some of my posters up in the beach area and any ideas on being a vendor on the beach as I thought it was only for food what & how I can increase awareness of my business services & sales would be great . I wasn't aware that I could do or offer anything to try and improve sales during the kite festival.

DARWIN KITE FESTIVAL CULLEN BAY SURVEY (GENERAL PUBLIC)

Did you have any other feedback about the event?

No

Can there be more crocodile kites next year?

Its My piece of grass, I'll do whatever i fuckin want with it attitude should be addressed.

sad attitude from the Cullen Bay board members.

Maybe Ferry passengers catch a bus to and from the terminal during the event , less traffic?

Don't listen to the very small number of negative people - some are only interested in their own businesses success and dont see the bigger picture.

None of the restaurant owners I spoke to experienced an increase in business from the event. In fact they all reported a decrease. I found it difficult to enter Cullen Bay to collect my takeaway food and when I did get in the place was chaotic. Please have some consideration and respect for the long term residents of the area and recognize this event has already outgrown Cullen Bay.

The road signage wasn't great. A lot of people thought the road was closed and therefore didn't go to the restaurants etc.

Same as above

Why isn't it on Sunday like the first time ... many of us work on Saturday & would also like to enjoy the kite festival (some resteraunts are closed on Sunday so then it wouldn't impact their trade or they may open knowing they can offer takeaway . I think businesses need marketing help there should be a HUGE poster AT the stairs where other food vendors are with separete QR codes to order online from the resteraunts (with any special offer) that way they can be part of it & not lose trade because people can't park to dine in the restaurent .

Perhaps minimise the events hours, so it's more of an action packed event and perhaps have a MC interacting with the crowd

2 traders we spoke to said it had a negative impact on trade

Poorly organised / received a lot of criticism and coming from a restaurant point of view, all of our customers were angry and displeased with the complete lack of consideration for businesses in Cullen Bay

I'm aware that a couple of businesses were unhappy due to some of the logistics but with thousands of extra people on their door step perhaps they need to concentrate on being professionally innovative and positive rather than 'boo-hoo' the event that thousands totally enjoyed

DARWIN KITE FESTIVAL CULLEN BAY SURVEY (FOOD VENDORS)

La Cantinette

Total number of Sales	225
Estimated Gross Sales	\$5,200
Number of Meals Served	194

Labor Costs and Sales: On Saturday, the labor costs were notably high in relation to the sales. Between 12:00 PM and 5:00 PM, we sold only 19 items, which were made mainly of drinks and small bites. The slow pace led to a lack of turnover in the bain-marie items, resulting in a fair amount of waste in order to preserve quality and to observe food safety best practice.

Comparison to Last Year: While it's difficult to directly compare to last year's event, as there were only three vendors and it was condensed into one day on Sunday, we generated about \$4,000 in sales on that single day. This year's setup across multiple days may have diluted overall sales.

I'd like to bring up some observations regarding vendor relations and interactions with local businesses: Pushback from Local Businesses: There was a noticeable effort by some brick-and-mortar businesses in Cullen to undermine the presence of the vendors. I observed complaints from these businesses —some of whom even set up trucks for the event— and there were also negative remarks on social media about the general organization and presence of vendors coming from Cullen businesses.

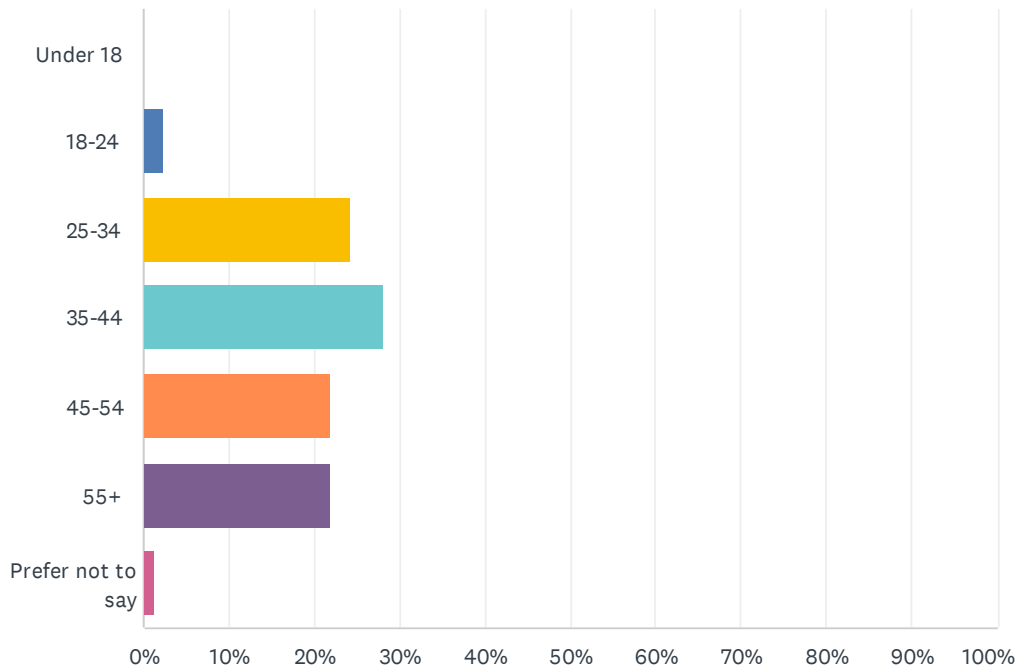

For any future events held in Cullen, I would suggest implementing measures to promote a more supportive environment and ensure fair treatment for all participants. By addressing logistical concerns and improving crowd management, it could help balance the interests for both vendors and local businesses, or at the very least, offer them some reassurance.

I hope this helps.

It was overall a pleasure to be part of this event, and I'd like to thank you for putting it together and being so present throughout the weekend. If there's a third edition of this festival, I would love to be considered.

2	The check in process, it didn't work most of the time for me unfortunately. But I had amazing help from the Laksa Fest team	11/5/2024 9:54 AM
3	The app/website was the worst - venue signins did not work despite changing all sorts of settings on my phone. Some venues hadn't received their barcode from you & were surprised they were listed in the app (eg: Zhen's). Map always went back to whole NT after exiting from viewing a venue. Never hearing about any Bonus Bowl locations ever despite logging in to app at various times of day. At least mega bowls were announced in notifications. Players with highest points got their points without necessarily contributing to the laksa community with their reviews etc.	11/2/2024 8:26 AM

8	I discovered features and how to obtain points too late - especially check in at venue. Also couldn't figure out how to vote for best laksa only rate those tried	10/31/2024 1:32 PM
9	That I could not always get the codes to work, that it was hard to find all the dishes, that I was not actually able to make comment on dishes - just score them. I also found the site quite difficult to navigate.	10/31/2024 12:05 PM
10	The app is very clunky. The check in feature would not work for me and the login for points weren't always awarded. Finding the bowls did not work for me either. Search feature did not work very well even when I typed the exact name of the venue	10/31/2024 7:04 AM
11	Unfortunately really clunky, not aesthetic at all, and slow. Annoying to be a webpage and not an app as well. I also could only check in a quarter of the time. I just ended up stopping using it and that kinda ruined some of the fun sadly. The festival is one of my fave time of year regardless of the laksa league and I loved getting around to the venues - already can't wait for next year!!	10/30/2024 9:25 PM
12	The website - preferred the APP better last year	10/30/2024 9:07 PM
13	The website was very glitchy. Venues would disappear and reappear randomly. There were a lot of issues with checking in	10/30/2024 7:16 PM
14	Maps, not being able to easily identify where I can get a laksa soup locally	10/30/2024 6:03 PM
15	Getting notification on mega bowl information and looking up venues	10/30/2024 3:10 PM
16	Being too full to eat more!	10/30/2024 1:17 PM
17	Trying to check into places and not being allowed to	10/30/2024 11:25 AM
18	Checkin didn't always work. It feels like it's aimed at a particular demographic and advantages people who have time, money and live or work in the CBD. There was no way of catching up if you started even a week late and wasn't able to eat out every day. How far ahead the leaders were and continued to be sapped any fun out of it.	10/30/2024 11:24 AM

27	It took me a long time to figure out how to vote for my favourite dishes. This was not made clear.	10/30/2024 7:13 AM
28	Using the website on a mobile device proved frustrating particularly when trying to find open venues/dishes and using the map	10/30/2024 7:07 AM
29	eating to much laksa	10/30/2024 7:05 AM
30	The 750m geolocation fence around check-ins is a problem in a lot of cases. It was difficult to check in to indoor locations (mall food courts in particular) and many restaurants have an address that doesn't properly resolve to their physical location (e.g. Bami Winnellie). I understand the need to geo-restrict check-ins, but this was frustrating.	10/30/2024 6:24 AM
31	Couldn't browse all restaurants without searching specific ones (the list just wouldn't go past a certain number when scrolling through to try and look at all). I didn't get credit for one of my mega bowls (Kopi stop for the first round of mega bowls)	10/30/2024 6:20 AM
32	Not all places had a check in (and who could be bothered emailing about it) not all dishes were available when you went to venues esp to try these dishes.	10/30/2024 6:12 AM
33	Restriction of 5 checkins a day. We came over to have as much laksa as we could across 4 days and that was a restriction we had on 2 days.	10/30/2024 5:37 AM
34	Getting information about the mega bowls or any specials happening	10/30/2024 2:47 AM
35	Venues phoning it in a bit (e.g., loaded fries), issues with check-in	10/30/2024 2:10 AM
36	Checkin didn't always work. It felt like it's designed for a very particular demographic, by advantaging people with money, time and live or work in the CBD. Starting a week in it was pretty much impossible to catch up and not really worth trying. The fun was sapped out of it really fast and I wouldn't bother again.	10/30/2024 12:14 AM
37	im pretty savy with mobile navigation, but the Laksa League not user friendly and not easy to navigate, hopefully you can simplify in the future. Thanks	10/29/2024 11:40 PM
38	For stalls that have several locations, could not check in at all, as I was told that I was over 500m away, despite standing next to the stall. For some places, the opening time did not correlate to what time a laksa/inspired by dish was available. E.g. Wharf One's opening time showed 4pm but they weren't open for dinner until 5pm.	10/29/2024 10:35 PM
39	The map is hard to use, search function is clunky.	10/29/2024 9:17 PM

46	One restaurant was getting low reviews but the Laksa was so so so good. Except. The chicken was in big chunks with the bone and not crispy skin. It looked unappealing but tasted great. I think because the chicken was not deboned and was still in large pieces it was a turn off because it really tasted good.	10/29/2024 8:11 PM

48	500mtr check in hardly worked	10/29/2024 8:05 PM

52	Didn't use it enough to get frustrated	10/29/2024 7:21 PM
53	Lack of venues in Katherine and that the points system was hit or miss for check ins and bonuses. Not sure how some people were able to rack up 10000 points over a weekend when there are only a few venues open on weekends. And not sure how they're able to check in early bird before 9am when all participating venues opened at 9am.	10/29/2024 7:11 PM
54	I couldn't get the logins to work	10/29/2024 7:06 PM
55	Search function Check in locations not working Check in at one place and it's says I checked in elsewhere Mega bowl - makes me really think it's a waste of time when you make the effort to eat out and a mega bowl just give those barely participating such a big jump.	10/29/2024 7:01 PM
56	Trying to find locations of venues when they didn't match the QR code locations (specifically just the food trucks).	10/29/2024 6:59 PM
57	Venues not knowing where their check in details were	10/29/2024 6:47 PM
58	It was so hard to check in, sometimes it worked but most times it didn't. Plus I did not receive my sign in bonus when i logged in 7 days in a row (daily). 59	I joined late. I need more megabowls. But the map feature was challenging. Didn't zoom in or out well. Also when searching by venue function didn't provide full list with number to tab through. Just one page	10/29/2024 6:23 PM

65	The check-in didn't work at several places; the BADGE feature never worked for me. Several venues were out of their laksa meal/drink	10/29/2024 5:55 PM
66	Inaccurate map locations. Venues that were marked as 'open' but weren't (Landmark was not available for the entire month). Problem with the number of rural locations available versus required for the badge: if I'm going to drive a couple hours, I want a higher point reward!	10/29/2024 5:46 PM
67	Notifications didn't come through on the phone- needing to check the website constantly.	10/29/2024 5:40 PM
68	Link in bio through IG is not direct to the website. Instead sign up required for linktree, hard to access	10/29/2024 5:36 PM

70	People cheating	10/29/2024 5:22 PM
71	Missed out on 500 points for 2 check ins. Venue for mobile food cans not always current. Curled location while at Coolalinga was show grounds for BBQ festival. Spud can location while at sanctuary lakes Palmerston was nightcliff. Another good fan at rural eats didn't bring check in - because "only do the laksa at Parap"	10/29/2024 5:14 PM
72	When I went to venues and could not check in because they didn't have their QR code displayed or it was blank (corroboree tavern Park). I still have not received the points or my rural badge for this error. Very disappointing 😞	10/29/2024 5:11 PM

Q8 What features would you like to see for next year?

Answered: 64 Skipped: 18

#	RESPONSES	DATE
1	More festival gifts and souvenirs especially at the grand finale	11/6/2024 3:22 PM
2	definitely a better check in process	11/5/2024 9:54 AM
3	Improve map function. Check venue locations (a few were incorrect). Allow users to suggest amendments if they find errors. Filter venues for "open now". Be more transparent in the app itself about how to get bonus points/bowls - you make the app/website the primary way to engage, users have to sign in & use that anyway, so it should be the #1 info source, ie there shouldn't be anything on social media giving clues that aren't also available to everybody on the app (eg: apparently there were games to play?).	11/2/2024 8:26 AM
4	None so far	10/31/2024 7:40 PM
5	Finding venues near me.	10/31/2024 5:34 PM
6	Easier log in	10/31/2024 2:19 PM
7	More dishes/venues in the regions	10/31/2024 2:08 PM
8	Tutorial how to obtain points quickly App so we don't have to log in every day	10/31/2024 1:32 PM
9	A comments section would be great	10/31/2024 12:05 PM
10	Anything but the same laksa league used this year!	10/30/2024 9:25 PM
11	App that is easy to use	10/30/2024 9:07 PM
12	A filter to allow to sort by 'open at' eg open at breakfast, lunch, dinner (like to be able to plan ahead for where to go) Just generally a less glitchy website. Public participation dishes, or a way to share if anyone makes their own Laksa at home or even a recipe link if any restaurants want to share a recipe for their inspired by dishes that might not stay on the menu?	10/30/2024 7:16 PM
13	Better maps, more details on what's on offer at each site	10/30/2024 6:03 PM
14	More opportunities to engage with the interactive content	10/30/2024 5:48 PM
15	Better navigation for the app	10/30/2024 3:10 PM
16	Coupons! Deals!	10/30/2024 1:17 PM
17	The ability to rate different laksa variants at each venue, eg duck laksa vs combination laksa etc	10/30/2024 11:25 AM
18	I wouldn't join again.	10/30/2024 11:24 AM

21	The finale run on a Saturday instead of Sunday	10/30/2024 10:50 AM
22	App for mobile	10/30/2024 9:54 AM
23	Some free events for all	10/30/2024 9:28 AM
24	An app that takes you straight to it	10/30/2024 7:31 AM
25	An improved check in process	10/30/2024 7:25 AM
26	Maybe some mini games	10/30/2024 7:17 AM
27	Perhaps a downloadable app, as opposed to a Web based one- but I appreciate this is probably more expensive and requires more technical support.	10/30/2024 7:13 AM

28	An app, more filters for venue/dish search	10/30/2024 7:07 AM
29	same	10/30/2024 7:05 AM
30	An app	10/30/2024 6:12 AM
31	Ability to select multiple dishes on check in. We would order a laksa inspired dish and laksa inspired drink but could only select one.	10/30/2024 5:37 AM
32	A much easier to navigate web page.	10/30/2024 2:47 AM
33	I wouldn't participate again. It was pretty frustrating	10/30/2024 12:14 AM
34	For non-league members a chance to vote for their fav dishes. Not everyone wants to be in the competition, nor necessarily provide their personal info. for security reasons.	10/29/2024 10:35 PM
35	More veggie dishes	10/29/2024 9:17 PM
36	Ability to provide written feedback on the review of a dish	10/29/2024 9:11 PM
37	Better search filters. For example I would like to search for places which are open now AND in Darwin only	10/29/2024 9:04 PM
38	An app	10/29/2024 9:02 PM
39	It was a good model this year. It's impossible to beat people who must have a lot of time to visit cafes and restaurants more than once a day	10/29/2024 8:57 PM
40	Opportunity to provide constructive feedback to the restaurant. Not published because we don't want it to become a Google review. But for restaurants to continuously improve they need feedback and with us participating in the festival they have a captive audience that actually cares and will give constructive feedback which they can choose to ignore or take on board.	10/29/2024 8:11 PM
41	Same. It's me that is not very tech savvy	10/29/2024 8:09 PM
42	Locational services for venues near you	10/29/2024 8:05 PM
43	Can't think of any at the moment.	10/29/2024 7:57 PM

47	Searching based on location so I can see the venues near me	10/29/2024 7:01 PM
48	I enjoy that it keeps improving and additional challenges have been added to keep it fun and interesting.	10/29/2024 6:59 PM
49	Please improve the check in process	10/29/2024 6:34 PM
50	Ability to filter on open and closed venues	10/29/2024 6:23 PM
51	Chat function. Be able to review by comments not just stars.	10/29/2024 6:10 PM
52	?	10/29/2024 6:07 PM
53	More interactive events in Katherine	10/29/2024 6:04 PM
54	Improved search functions: open times, complete region and dish searches, "near me" function, downloadable list of all participating venues, dishes, opening times, addresses. See what I have/have not yet tasted. Notifications to be removed when viewed. Push notifications to email or sound	10/29/2024 5:59 PM
55	Can't think of anything	10/29/2024 5:55 PM
56	Ability to see on map 'what's open now'	10/29/2024 5:46 PM
57	You should be able to check in for multiple dishes within the same venue. Kokomo I had 2 cocktails and the empanadas. I could only review 1 of their offerings.	10/29/2024 5:28 PM
58	- Team leagues - Make it so you can only earn points for a dish after you have checked in	10/29/2024 5:22 PM

Leaderboard - add a search field so you can look up people - Photo comp voting - make it so you can only vote if you have more than 1,000 points, to discourage bogus accounts voting - Random draw prize - upload a receipt photo to go in the draw - Random prizes - award prizes just for participating in the spirit of laksa - Manually check locations / addresses of every venue - noticed some had generic addresses so their location on the map wasn't accurate - on the list view, highlight bonus bowl venues - venue page: show the address in addition to the link to Google maps - ditch points for sharing and tasting, it just encourages cheating - online store to buy laksa festival merchandise

59	I did sign up to the newsletter, but haven't received any. Mobile food vans should be given check-in for each location and not rely on Laksa people to update.	10/29/2024 5:14 PM
60	Only have checking in when venues are open	10/29/2024 5:11 PM
61	More clues with Mega bowls but less points than the badges. It is a lot of work to get some of the badges so they should be more heavily weighted.	10/29/2024 5:10 PM
62	More points for special dishes	10/29/2024 5:09 PM
63	More ways to shake up the leader board with big points, mega bowls, other mini comps popping up, seemed like all the top dedicated players always got all the bonuses and always maintained their positions	10/29/2024 5:08 PM
64	A weekly leaderboard	10/29/2024 4:50 PM

21	make it more simple	10/29/2024 11:40 PM

DARWIN KITE FESTIVAL CULLEN BAY SURVEY (FOOD VENDORS)

Yummiya Food

Thank you for your email and for the opportunity to participate in the Kite Festival. We had a fantastic time, and the festival was very well organized with a wonderful atmosphere. Our operations at the event went smoothly, and we are pleased with our sales performance. We achieved an estimated daily turnover of approximately AUD 2,000.

I appreciate your support throughout the event and look forward to the chance to participate in future events organized by your team.

Hungry Shack & Mr. Donuts

Overall food was a success – all vendors were happy – fin & tonic turning their food van into a taco truck and not opening for the majority of the day was a bad look.

\$9,000 sales for the event

Bami Van

Hello team,

Thank you for wonderful Kites Festival this year. Here is our information: In 2 days, our sales is:

- 1st day (only night time): ~\$1500 (we not prepare enough and sold out very early)

- 2nd day (full day): ~\$4500

Cheeky Churros & the Potato Man

We were surprised how many people came over two days. I think the two days was great and allowed people to visit on a day that suited them. The food truck selection and mix was excellent. I think due to the heat, the second day (Saturday) didn't need to start until later. Not sure if the Saturday day would've been better with cooler weather. Getting to the event was the most common feedback we heard. A lot of people were unable to get down for around 30 mins average. I am wondering if it's possible for people to still drive down and do drop offs closer to the entrance. I'm not sure, but if this could be improved, that would be ideal. Overall the operation of the Kite was spectacular and smooth. Well done to the organisers and everyone involved.

SALES: **Potato Man Friday** \$1,500 - **Potato Man Saturday** - \$2,800 - **Churros Friday** - \$1,600 - **Churros Saturday** - \$3,300

1	Feedback we have from customers and team are that the QR codes were too generic. It did not really take them to the page required for checking in. Also few people had issues checking in in the first couple of weeks. Festival felt a little low budget, looking smaller scale. Hearing from other venues, judging guidelines were unclear and hasnt been transparent. Also, having 2 different set of judges - 1 set for venues and 1 set blind actually doesnt make any sense. Again, the judging criteria wasnt made clear. The interview at end of top 10 presentation was unnecessary just to produce a short reel.	11/26/2024 3:09 PM

We didn't need to get there so early, as we didn't need much preparation. The pageant was very slow, we didn't start moving until 6.00pm, poor Santa was in full sun, I gave him a fan and a umbrella. We spent a lot of time stopped and having to wait on the route. Really liked the three areas, where they played music and explained what the float was. Great turn out and everyone seemed to enjoy themselves.

Great pagaent once again. Please keep this same route it works so well and the centopah is a great spot for school groups to gather. And vehicle form up and exit line works sooooo well too. Great job again I feel not as many gaps this year in the parade as previous years which was good.

Need more toilets are centopahs even if it's just a bank of port aloos for that afternoon only I get antisocial behaviour etc. but the line up was silly. Need a cold drinks van at starting point after decorating our car in the hot sun we are all hanging for a cold drink of coke etc. maybe take into consideration for next year once you decide on the winners would be good to ring them maybe 5 minutes prior to announcing so they can send a representative from the group to go on stage etc for a photo opportunity. When we have groups of kids etc our first priority is making sure they get collected from the spot then helping clear the float vehicle from all the decorations. So maybe just a thought then that way great photo opportunity etc and we know on the night. Also should make the information briefing session mandatory or they cant attend the float as I was disappointed the questions I asked at the briefing got answered, but then people were doing the opposite on the night.

Other than those small minor things think it's fabulous bring on 2025 it's honestly getting better every year thanks for all your hard work

Thank you for a great event, the float form-up last year felt more organized - having the walking groups form in their designated spot instead of waiting in the carpark.

We missed the food vans in the park near the registration.

It was our first time participating with a vehicle and we had lots of fun creating and lots of learnings. We've stored our decorations and are very much looking forward to participating again in next year's pageant. It was beautifully organised and the atmosphere was fabulous.

There was just one blip and that was being yelled at by one of the Marshalls for lagging behind. She may not have been aware that the walking group in front of us was scattered and very slow due to stopping to give out lollipops. They were mostly kids and I was taking great care not to get in front of them, or run into them! There was also a very young child with that group who was running hither and thither on the road until an adult finally scooped him up on the final corner before the mall. As well as not wanting to run over anyone, I didn't want to split the group by driving ahead of any of them. But will check before next year's pageant what is preferred by the organisers in such a situation.

Thank you again, and see you in 2025!

As a walking group, being able to muster and wait in the shade was much better. However, there was no-one around to help us slot into the correct position when the pageant started. We had to ask other groups around us what number they were and figure it out for ourselves. After asking several groups, we discovered Chung Wah were number 29, so we then counted car floats so we could slip in at 34. If we hadn't done that, goodness knows where we would have ended up in the line-up! It might have helped when we registered, instead of being told someone will call us when it's our space, to let us know who was before and after us, so we were pre-prepared. Also emailing the float order out prior would help.

Having the 3 commentary points along the route was a good improvement. The first commentator did the best job in promoting our church by reading the whole script. The other two only mentioned our Op Shop, which was disappointing, even though it's a very good op shop!

Still think can go half an hour later. This year line up was chaos. I prefer first year when we had lines marked on road. Need to maximise start location with shade. I think the lining up the same way as this year but number 1 in the order box for lining up is at the corner of knuckey outside char.

I thought previous year we got to do an update for hosts to read as we walked past. We upcycled as per the judging lots but no one would of know. We could have looked better and won had we not followed what the judges were judging on. We had a car behind our walking group tooting. It scared all the kids. The whole time and adult at back mustering kids were on edge with the car behind them. Could all walking groups go first or last. I think this would reduce accident risks rather then putting all groups at risk, only one group would be near.

Positive - had a ball again, we were going to bail out of next year (heat) but think we'll be back!

DETAILED EXPENDITURE FOR EACH DAY TRIP

I now have some questions about your expenditure on this trip. I want you to include anything you yourself physically paid for, whether by cash, EFTPOS cheque, credit card or any other means. If you paid for other people at any stage, for example, if you took someone else out for dinner, then do include that. But if someone else paid for you, then exclude that.

IF BUSINESS TRAVELLER, ALSO SAY: Also include amounts that you signed for, even if it was on a corporate credit card, or your employer reimbursed you later. The idea here is that you physically made that payment.

INTERVIEWER NOTE:

- **ALSO INCLUDE AMOUNTS** paid directly for by others **NOT TRAVELLING WITH RESPONDENT**, for e.g. employer, parent, etc.

- **EXCLUDE AMOUNTS** paid for by others **TRAVELLING WITH RESPONDENT**

B.7 So keeping all this in mind, did you pay for any of the following: **PROMPT FROM LIST; IF RESPONDENT VOLUNTEERS ITEMS CAN TAKE INFO AS GIVEN, BUT THEN PROBE FOR EXTRA ITEMS AS APPROPRIATE TO THEIR TYPE OF TRIP (E.G AIRFARE IF THEY TRAVELLED BY PLANE) THAT THEY MIGHT HAVE MISSED_**

IF YES, ASK: And how much did you spend on that (Remember to include all your expenditure whether for you or others in your travel party, but exclude any payments made by other people).

B.8 Were any of the amounts you have just told me about prepaid (that is, paid before you commenced the trip? *IF YES, FIND OUT WHICH AND HOW MUCH AND AMEND GRID ABOVE ACCORDINGLY*), Did you pay for anything (else) in advance? **ENTER IN PREPAID COLUMN**

B.9 Is there anything else you paid for before or after the trip? For example, films or processing, pet care, house-sitting, dry cleaning, clothing, books, maps, luggage or presents purchased especially for the trip? **INCLUDE IN PRE-PAID / POST-PAID COLUMN.**

B.10 Finally, did your employer, or someone else not travelling with you (for example your parents or a host), pay for any of your costs that you have not already mentioned?

PROBE FOR ITEMS AND COMPLETE GRID_ AMOUNTS RECORDED FROM EMPLOYER ETC SHOULD BE THE RESPONDENT SHARE ONLY – E.G. HALF OF ACCOMODATION RATE IS RESPONDENT SHARED A ROOM WITH SOMEONE ELSE. BEST ESTIMATES OK IF EXACT AMOUNT UNKNOWN. Use 'D' if really no idea, & describe in comments column

IF AIRFAIRES INCLUDED IN EXPENDITURE GRID AND MAIN FORM OF TRANSPORT WAS NOT BY AIR (B.3 NOT CODE 1), PROMPT WITH B.11.

B.11 The respondent has mentioned expenditure on Air Travel, but did not mention that they used Air Travel as a form of transport. Please ask the respondent for clarification and record which places the air travel was between. For example, the repondent may have taken a joy flight during their trip.

IF B.16b=03-08 (RESPONDENT ATTENDED CONVENTION/ CONFERENCE/ SEMINAR/CORPORATE EVENT)

I now have some questions about your expenditure for this <<INSERT EVENT TYPES 03-08 CODED AT B.16b>> on this trip. You may have already included these in the expenditure you gave me earlier. Here we want to identify which related specifically to the event you attended. As before, I want you to include anything you yourself physically paid for, whether by cash, EFTPOS cheque, credit card or any other means. If you paid for other people at any stage, for example, if you took someone else to the event, then do include that. But if someone else paid for you, then exclude that.

Also include amounts that you signed for, even if it was on a corporate credit card, or your employer reimbursed you later. The idea here is that you physically made that payment.

INTERVIEWER NOTE:

- ALSO INCLUDE AMOUNTS paid directly for by others **NOT TRAVELLING WITH RESPONDENT**, for e.g. employer, parent, etc.

- EXCLUDE AMOUNTS paid for by others **TRAVELLING WITH RESPONDENT**

B.16g So keeping all this in mind, did you pay for any of the following relating to the event(s): PROMPT FROM LIST-

DETAILED EXPENDITURE FOR EACH OVERNIGHT TRIP.

I now have some questions about your expenditure on this trip. I want you to include anything you yourself physically paid for, whether by cash, EFTPOS, cheque, credit card or any other means. If you paid for other people at any stage, for example, if you took someone else out for dinner, then do include that. But if someone else paid for you, then exclude that.

IF BUSINESS TRAVELLER ALSO SAY: Also include amounts that you signed for, even if it was on a corporate credit card, or your employer reimbursed you. **The idea here is that you physically made that payment.**

INTERVIEWER NOTE:

- **ALSO INCLUDE AMOUNTS** paid directly for by others **NOT TRAVELLING WITH RESPONDENT**, for e.g. employer, parent, etc.

- **EXCLUDE AMOUNTS** paid for by others **TRAVELLING WITH RESPONDENT**

IF TRAVELLED ON A PACKAGE: Don't include any of the package though that you have already told me about - this is about expenditure on top of that package.

C.26 So keeping all this in mind, did you pay for any of the following:

PROMPT FROM LIST; IF RESPONDENT VOLUNTEERS ITEMS CAN TAKE INFO AS GIVEN, BUT THEN PROBE FOR EXTRA ITEMS AS APPROPRIATE TO THEIR TYPE OF TRIP (E.G AIRFARE IF THEY TRAVELLED BY PLANE) THAT THEY MIGHT HAVE MISSED_

IF YES, ASK:

And how much did you spend on that?

(Remember to include all your expenditure whether for you or others in your travel party, but exclude any payments made by other people and any package costs.)

C.28 Were any of the amounts you have just told me about prepaid, (that is, paid before you commenced the trip?)

IF YES, FIND OUT WHICH AND HOW MUCH AND AMEND PREPAID EXPENDITURE GRID ACCORDINGLY.

Did you pay for anything (else) in advance? ENTER IN PREPAID COLUMN.

C.29 Is there anything else you paid for before or after the trip? For example, films or processing, pet car, house-sitting, dry cleaning, clothing, books, maps, luggage or presents purchased especially for the trip...

INCLUDE IN THE PREPAID / POST PAID COLUMN.

C.30 Finally, did your employer or someone else not travelling with you, (for example your parents or host) pay any of your costs that you have not already mentioned?

PROBE FOR ITEMS AND COMPLETE GRID_

AMOUNTS RECORDED FROM EMPLOYER ETC SHOULD BE THE RESPONDENT SHARE ONLY. E.G. HALF OF ACCOMODATION RATE IF RESPONDENT SHARED A ROOM WITH SOMEONE ELSE.

BEST ESTIMATES OK IF EXACT AMOUNT NOT KNOWN. IF ABSOLUTELY DON'T KNOW AND CAN'T ESTIMATE, RECORD D_

C.31z INTERVIEWER NOTE: The respondent has mentioned staying in paid accommodation, but did not report accommodation in the package section or expenditure grid – is this correct?

If you paid for other people at any stage, for example, if you took someone else to the event, then do include that. But if someone else paid for you, then exclude that.

EXPENDITURE ON EACH OVERSEAS TRIP

I now have some questions about your expenditure on this trip. I want you to include anything you physically paid for, whether by cash, EFTPOS, cheque, credit card or any other means. If you paid for other people at any stage, for example if you took someone else out for dinner, then do include that. But if someone else paid for you, then exclude that.

IF BUSINESS TRAVELLER: Also include amounts that you signed for, even if it was on a corporate credit card, or your

employer reimbursed you later. The idea here is that you physically made that payment.

D.12 So keeping all this in mind, did you pay for any of the following...? And how much did you spend on that?

D.13 Were any of the amounts you have just told me about pre-paid (that is, paid before you commenced the trip?)

IF YES, FIND OUT WHICH AND HOW MUCH AND AMEND GRID ABOVE ACCORDINGLY.

Did you pay for anything (else) in advance?

IF YES, ENTER IN PREPAID COLUMN

D.14 Is there anything else you paid for before or after the trip? For example, films or processing, duty-free shopping, pet car, house-sitting, dry cleaning, clothing, books, maps, luggage or presents purchased especially for the trip...?

IF YES, INCLUDE IN PRE-PAID / POST-PAID COLUMN.

D.15 Finally, did your employer, or someone else not travelling with you (for example your parents or host), pay for any of your costs that you have not already mentioned?

Occupancy on the books:

This is the proportion of rooms (%) that have been booked for a specific future time period. Note, this is not a forecast or prediction of where occupancy will finish but rather a snapshot in time. Calculation is Rooms Booked / Rooms Available.

Pick-up:

This is the uptake in bookings from one period to the next. It measures the difference in number of rooms that have been booked from one data collection period to the next.

For the next 90 days, Forward STAR looks at this week's number of rooms booked and compares that to the number that were booked last week and creates a proportional difference. For the next 365 days, pickup looks at the uptake in bookings from last month.

Variance:

The difference between this year and last year in absolute terms shown as a percentage.

Before purchasing this product you agreed to the following terms and conditions.

In consideration of the mutual promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, STR, Inc. ("STR"), STR Global, Ltd. ("STRG"), and the licensee identified elsewhere in this Agreement ("Licensee") agree as follows:

1. LICENSE

1.1 Definitions.

(a) "Agreement" means these Standard Terms and Conditions and any additional terms specifically set out in writing in the document(s) (if any) to which these Standard Terms and Conditions are attached or in which they are incorporated by reference, and, if applicable, any additional terms specifically set out in writing in any Schedule attached hereto.

(b) "Licensed Materials" means the newsletters, reports, databases or other information resources, and all lodging industry data contained therein, provided to Licensee hereunder.

1.2 Grant of License. Subject to the terms and conditions of this Agreement, and except as may be expressly permitted elsewhere in this Agreement, STR/STRG hereby grants to Licensee a non-exclusive, non-transferable, indivisible, non-sublicensable license to use, copy, manipulate and extract data from the Licensed Materials for its own INTERNAL business purposes only.

1.3 Copies. Except as expressly permitted elsewhere in this Agreement, Licensee may make and maintain no more than two (2) copies of any Licensed Materials.

1.4 No Service Bureau Use. Licensee is prohibited from using the Licensed Materials in any way in connection with any service bureau or similar services. "Service bureau" means the processing of input data that is supplied by one or more third parties and the generation of output data (in the form of reports, charts, graphs or other pictorial representations, or the like) that is sold or licensed to any third parties.

1.5 No Distribution to Third Parties. Except as expressly permitted in this Agreement, Licensee is prohibited from distributing, republishing or otherwise making the Licensed Materials or any part thereof (including any excerpts of the data and any manipulations of the data) available in any form whatsoever to any third party, other than Licensee's accountants, attorneys, marketing professionals or other professional advisors who are bound by a duty of confidentiality not to disclose such information.

1.6 Security. Licensee shall use commercially reasonable efforts to protect against unauthorized access to the Licensed Materials.

1.7 Reservation of Rights. Licensee has no rights in connection with the Licensed Materials other than those rights expressly enumerated herein. All rights to the Licensed Materials not expressly enumerated herein are reserved to STR/STRG.

2. DISCLAIMERS AND LIMITATIONS OF LIABILITY

2.1 Disclaimer of Warranties. The Licensed Materials are provided to the Licensee on an "as is" and "as available" basis. STR/STRG make no representations or warranties of any kind, express or implied, with respect to the Licensed Materials, the services provided or the results of use thereof. Without limiting the foregoing, STR/STRG does not warrant that the Licensed Materials, the services provided or the use thereof are or will be accurate, error-free or uninterrupted. STR/STRG make no implied warranties, including without limitation, any implied warranty of merchantability, noninfringement or fitness for any particular purpose or arising by usage of trade, course of dealing, course of performance or otherwise.

2.2 Disclaimers. STR/STRG shall have no liability with respect to its obligations under this agreement or otherwise for consequential, exemplary, special, incidental, or punitive damages even if STR/STRG has been advised of the possibility of such damages. Furthermore, STR/STRG shall have no liability whatsoever for any claim relating in any way to any decision made or action taken by Licensee in reliance upon the Licensed Materials.

2.3 Limitation of Liability. STR/STRG's total liability to Licensee for any reason and upon any cause of action including without limitation, infringement, breach of contract, negligence, strict liability, misrepresentations, and other torts, shall be limited to all fees paid to STR/STRG by the Licensee during the twelve month period preceding the date on which such cause of action first arose.

3. MISCELLANEOUS

3.1 Liquidated Damages. In the event of a violation of Section 1.5 of these Standard Terms and Conditions, Licensee shall be required to pay STR/STRG an amount equal to the sum of (i) the highest aggregate price that STR/STRG, in accordance with its then-current published prices, could have charged the unauthorized recipients for the Licensed Materials that are the subject of the violation, (ii) the full price of the lowest level of republishing rights that Licensee would have been required to purchase from STR/STRG in order to have the right to make the unauthorized distribution, regardless of whether Licensee has previously paid for any lower level of republishing rights, and (iii) fifteen percent (15%) of the total of the previous two items. This provision shall survive indefinitely of the expiration or termination of this Agreement for any reason.

3.2 Obligations on Termination. Within thirty (30) days of the termination or expiration of this Agreement for any reason, Licensee shall cease all use of the Licensed Materials and shall return or destroy, at STR/STRG's option, all copies of the Licensed Materials and all other information relating thereto in Licensee's possession or control as of the such date. This provision shall survive indefinitely of the expiration or termination of this Agreement for any reason.

3.3 Governing Law; Jurisdiction and Venue. This Agreement shall be governed by the substantive laws of the State of Tennessee, without regard to its or any other jurisdiction's laws governing conflicts of law. Any claims or actions regarding or arising out of this Agreement shall be brought exclusively in a court of competent jurisdiction located in Nashville, Tennessee, and the parties expressly consent to personal jurisdiction thereof. The parties also expressly waive any objections to venue.

3.4 Assignment. Licensee is prohibited from assigning this Agreement or delegating any of its duties under this Agreement without the prior written consent of STR/STRG.

3.5 Independent Relationship. The relationship between the parties is that of an independent contractor. Nothing in this Agreement shall be deemed to create an employer/employee, principal/agent, partnership or joint venture relationship.

3.6 Notices. All notices required or permitted to be given hereunder shall be in writing and shall be deemed given (i) when delivered in person, at the time of such delivery, (ii) when delivered by facsimile transmission or e-mail, at the time of transmission (provided, however, that notice delivered by facsimile transmission shall only be effective if such notice is also delivered by hand or deposited in the United States mail, postage prepaid, registered, certified or express mail or by courier service within two (2) business days after its delivery by facsimile transmission), (iii) when delivered by a courier service or by express mail, at the time of receipt, or (iv) five (5) business days after being deposited in the United States mail, postage prepaid, registered or certified mail, addressed (in any such case) to the addresses listed on the first page of this Agreement or to such other address as either party may notify the other in writing.

3.7 Waiver. No waiver of any breach of this Agreement will be deemed to constitute a waiver of any subsequent breach of the same or any other provision.

3.8 Entire Agreement. This Agreement constitutes the entire agreement of the parties with respect to the matters described herein, superseding in all respects any and all prior proposals, negotiations, understandings and other agreements, oral or written, between the parties.

3.9 Amendment. This Agreement may be amended only by the written agreement of both parties.

3.10 Recovery of Litigation Costs. If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees and other costs incurred in that action or proceeding, in addition to any other relief to which it or they may be entitled.

3.11 Injunctive Relief. The parties agree that, in addition to any other rights or remedies which the other or STR/STRG may have, any party alleging breach or threatened breach of this Agreement will be entitled to such equitable and injunctive relief as may be available from any court of competent jurisdiction to restrain the other from breaching or threatening to breach any of the provisions of this Section, without posting bond or other surety.

3.12 Notice of Unauthorized Access. Licensee shall notify STR/STRG immediately upon Licensee's becoming aware of any facts indicating that a third party may have obtained or may be about to obtain unauthorized access the Licensed Materials, and shall fully cooperate with STR/STRG in its efforts to mitigate the damages caused by any such breach or potential breach.

3.13 Conflicting Provisions. In the event that any provision of these Standard Terms and Conditions directly conflicts with any other provision of the Agreement, the conflicting terms of such other provision shall control.

3.14 Remedies. In addition to any other rights or remedies that STR/STRG may have, in the event of any termination by STR/STRG on account of a breach by Licensee, STR/STRG may, without refund, immediately terminate and discontinue any right of Licensee to receive additional Licensed Materials from STR/STRG.
