Question

Were any gifts received by Ministers in 2013/14? If so, for each Minister:

- a. What gifts were received?
- b. What is the estimated value of each gift received?

Answer

DCM has an efficient Gift Policy in place which maintains a register of official gifts received by Ministers or the Opposition Leader which are determined by DCM to be of significance are registered on receipt and undergo an annual audit.

The register provides information on when the item was received, who received the gift and the identity of the donor as well as a brief description and photograph.

During the reporting period The Chief Minister received 6 gifts (determined to be of significance) including a bark painting, a hand painted vase, a Japanese Geisha Doll in glass case and a framed water colour painting.

Minister Conlan received- 5 gifts (determined to be of significance) including signed football Guernseys from visiting AFL and NRL teams

These items are on display in Ministers Parliamentary Suites and remain the property of the Northern Territory.

It is difficult to measure the value of these items without obtaining a formal valuation. It is unlikely that any of the registered items are valued at more than \$1,000.

No other Ministers received items deemed to be of significant value during the reporting period.
