

# What's a PIC

and do you need one?

You can play an important part in protecting the NT from the impact of an animal disease outbreak.

If you keep livestock on your block or in your backyard, you **MUST** register for a **Property Identification Code (PIC)**

If you keep any of these animals, even just one as a pet, then you need a **Property Identification Code**.

Livestock includes cattle, buffalo, horses (inc. mules and donkeys), pigs, poultry, deer, llamas, camels, alpacas, sheep, goats and beehives.

**Registering for a PIC is easy and free.**

Register online at [www.nt.gov.au](http://www.nt.gov.au)
