Answered On: 20/06/2008

## QUESTIONS ON NOTICE

### QUESTION

**6.2 Can you provide a list of remote Indigenous housing that has been established in the last 12 months, by community?**

### RESPONSE

#### Northern Territory Indigenous Housing Construction Program

- During 2007-08, Territory Housing constructed new dwellings and refurbished existing dwellings in remote Indigenous communities under the NTIHP.
- 2007-08 NTIHP expenditure to 31 May 2008 totals \$35.4 million, with 80 new dwellings constructed and 110 refurbishments completed in remote Indigenous communities across the Northern Territory.

**ADDITIONAL INFORMATION**

- As part of the reforms to remote housing, Territory Housing will become responsible for the management and maintenance of remote community housing from 1 July 2008.
- The NTIHP will cease on 30 June 2008. Future Indigenous housing construction and refurbishments will be carried out under the Strategic Indigenous Housing and Infrastructure Program.
