Question 2.2

If tariff increases to Power and Water apply to Treasury, what are the cost impacts of that, recognising they are absorbed within budget?

ANSWER

Department of Treasury and Finance

For the period 1 January 2013 to 30 April 2013 the Department of Treasury and Finance recorded a \$3289.20 increase in electricity costs, due to increased tariffs, which was absorbed within budget. The department does not pay for water consumption as it forms part of the lease arrangements for the Cavenagh House offices.
