Question: What did it cost to develop each weed plan for the Northern Territory?

Answer:
Answered On: 18/06/2009
Answer: In late 2008, Weed Management Branch employed a P2 for a period of one month to develop the draft Gamba Grass Management Plan. Based on a salary of a P2, staffing costs and operational costs for developing the draft Gamba Grass Plan (which includes public consultation) was \$20,000.
