# ESTIMATES COMMITTEE

## Question Taken on Notice

Date: 20 June 2012

Output: Whole of Agency  
Sub Output:

Subject: Break-Ins for Departmental Premises and Assets

From: Member for Braitling

To: Minister for Lands and  
Planning

Department: Lands and Planning

---

**Number: 8.4**

**Question: How many break-ins involving Department premises or assets or stolen or vandalised assets have occurred in the financial year of 2011-12.**

**Answer:**

- No number available, however there have been various ongoing incidents of minor damage, vandalism and graffiti to transport assets such as bus shelters, boat ramp facilities, road signage, bollards, fencing, guard rails and other items.
- One case of more significant vandalism at both Palmerston and Adelaide River boat ramp toilet blocks.
- One break-in and stealing incident occurred at Level 2 Energy House.
