Question: Provide a breakdown of where the small budget of \$4m that is to provide capacity to support entities that stimulate economic growth and job creation in regions, where that money is actually going, where the breakdown says it is going?

Answer:

The breakdown of the \$4 million budget is as follows:
o \$ 3.2 million for employee expenses
o \$ 0.8 million for administrative expenses

The increased funding in 2010-11 of \$0.4 million is due to a grant from the Commonwealth Department of Employment Education and Workplace Relations to establish four Indigenous Economic Development Officers based in the regions (East Arnhem, Roper Gulf/Victoria Daly, Barkly and Central Desert/West MacDonnell).
