

How to resolve common issues with the Parliamentary Broadcast:

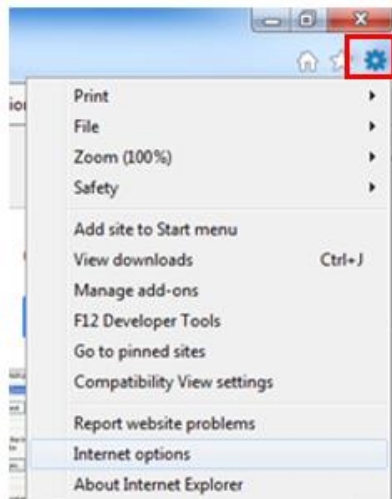

<https://parliament.nt.gov.au/about-parliament/broadcast-and-media-accreditation/video-broadcast>

ISSUE: Internet Explorer pixilation.

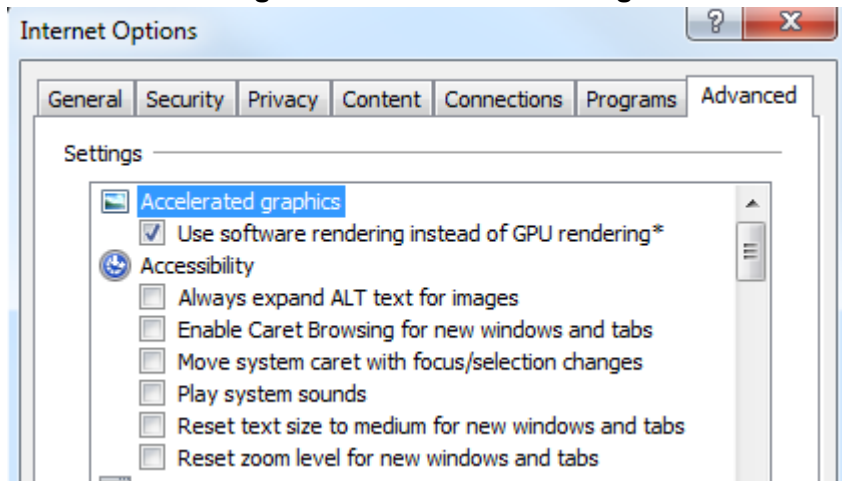

SOLUTION: Updating IE11 'Accelerated graphics' setting:

1. Select the IE11 cog icon below.

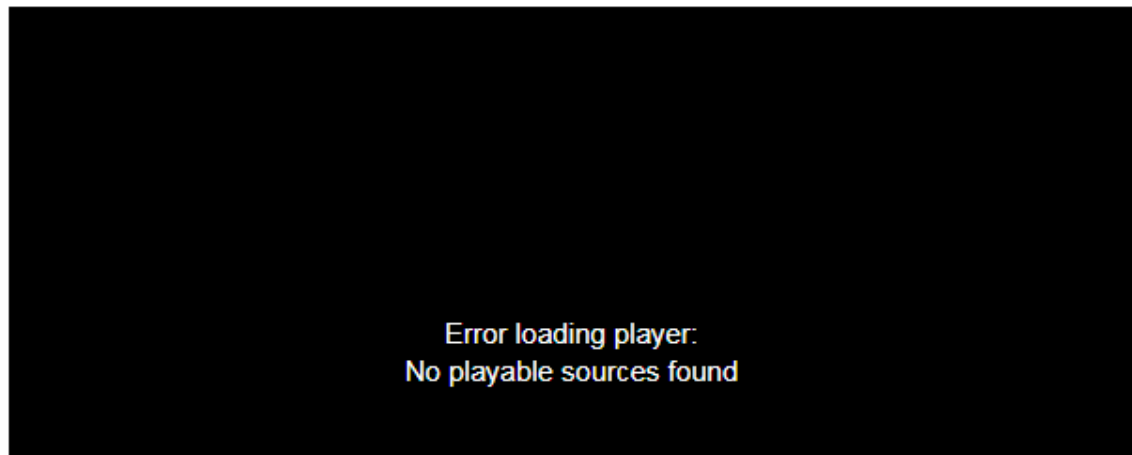

2. Select the '**Advanced tab**' and under the '**Accelerated graphics**' option tick '**use software rendering instead of GPU rendering**'

ISSUE: Google chrome displays 'Error loading player'

Video broadcast

SOLUTION: Enabling flash player

1. Select the 'secure/padlock' icon to the left of the URL, this will provide a drop down list of options.
2. Select the 'Flash option' and select 'Always Allow on this site'.
3. Press F5 to refresh the page for the changes to take effect.
