

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr. Higgins to the Minister for Business and Innovation:

Sun Cable

1. Regarding the \$20 billion Sun Cable solar project near Tennant Creek, environmental approval works for this project have been given to an interstate firm. What action will you take to make sure a similar situation does not occur again?
2. What 'Buy Local' requirement will there be on this project, when will it apply and how will it be enforced? What penalties, if any, will apply for breaches?
