#### Answer

1. In 2007 and 2008, the Northern Territory Treasury ran campaigns to coincide with the release of the 2007-08 and 2008-09 Northern Territory Budget. In 2008 and 2009, Treasury ran campaigns to advertise the Buildstart initiative. These are the only major campaigns Treasury has coordinated in the last three calendar years. The table in Attachment A provides the name of each campaign and the companies engaged to undertake the work.

Treasury also engages in advertising and promotions throughout the year on smaller projects which are not classified as campaigns, such as recruitment, careers fairs and Superannuation (NTGPASS) member seminars. This has also been included in the table for completeness.

2. The table in Attachment A provides details on the cost of these campaigns.
3. The table in Attachment A provides details on the months in which the expenditure occurred, the mediums used for the campaign and the amount spent on each medium.
4. There was no market or other research undertaken ahead of any campaign.
