Question: Tennant Creek Battery

Date: 17/11/92

Member: Ms HICKEY

To: MINISTER for MINES and ENERGY

1. Which consultants were employed in regard to Tennant Creek Battery in 1991-92.
2. What was the purpose of the consultancy.

ANSWER

1. Mr J.T. May of Tennant Creek was engaged for the period 22 December 1991 through to 23 January 1992.

2. The purpose of the consultancy was to carry out comprehensive caretaking services (whilst the Battery Manager was on annual leave) to the Stamp Battery, associated buildings and surrounds, and to ensure that the Stamp Battery and historic displays were accessible to regional tourist operators during normal business hours.

J.T. May was engaged because of his extensive knowledge of the Stamp Battery's history and its current operations.
