QUESTION

How many CRICOS registered places are there in the Territory? How many were there in 2018?

ANSWER:

As at June 2022, there are 19 registered CRICOS providers in the Territory. Study NT has confirmed capacity with 17 of the Territory providers and their total CRICOS capacity at their Territory locations is 7,799 places. Study NT was unable to confirm the CRICOS capacity of two of the Territory IET providers.

In 2018 there were 13 CRICOS registered institutions in the Territory. Study NT is unable to advise the capacity for 2018 as some of these providers are no longer delivering IET in the Territory, or at all.
