

Three levels of Government

Now that you have learnt about the three levels of government, using the examples in the box on the right hand side, put them into the one of the three boxes (federal, state/territory, local). Some of them will need to go into the boxes below as well.

Federal

State/territory

Local

- Responsibilities of the three levels of Government**
- Rubbish collection
 - Local government
 - Sport and recreation
 - Telecommunications
 - Swimming pools
 - Electricity, water, gas
 - Health
 - Parks
 - Defence
 - Roads
 - Education
 - Garbage collection
 - Customs and immigration
 - Passports
 - Currency

Responsibilities that may overlap across all three levels of government in Australia

Responsibilities that may overlap between federal and state/territory

Responsibilities that may overlap between state/territory and local government
