- (c) Where there is a difference between FTE and Headcount (Actual), please provide an explanation for the difference, including any reasons for use of part-time and casual positions within the overall workforce profile.

Full Time Equivalent (FTE) = the proportion of an employee's salary payment to that of an equivalent full-time employee in any given fortnight.

Paid Headcount = where an employee's FTE is greater than zero. Headcount is the count of physical people, so a part-time person would count as one.

The NT Government provides opportunities for employees to balance the demands of work with the needs of family and general health and wellbeing. Flexible work practices are used in the Northern Territory Public Service to attract and retain employees. Flexible work arrangements can include flexibility in relation to an employee's hours of work, or mode of employment such as part-time, and leave.

2. Please advise the number of staff held against the following categories as at 31 March 2024:

The following response solely reflects the Department of the Chief Minister and Cabinet as at 31 March 2024.

Category	Number
Resigned	54
Made Redundant	-
Terminated	2

Classified Redeployee	-

3. Please advise the number of staff who identify as Aboriginal and Torres Strait Islander as at 31 March 2024.

A whole-of-government response to Question 3 will be provided by the Office of the Commissioner for Public Employment.

4. (a) Please advise the number of Frontline staff as FTE as at 31 March 2024 and as a percentage of the Agency total employment.

(b) Please advise how the Agency determines which staff fall under the category of Frontline.

Although many of the agency's roles interface directly with clients/public, these roles are not defined as 'frontline service' delivery as per whole-of-government reporting, given the Department of the Chief Minister and Cabinet is classified as a central agency.

5. Please advise how many staff have been engaged through labour hire, employment agency arrangements and/or consultancy contracts, for what purpose, for what duration and at what cost as at 31 March 2024. Please use the table format presented below for your response.
