I wish to add my support for voluntary euthanasia to be made legal in the Northern Territory

I am an active adherent of the Uniting Church of Australia and I think it is imperative compassion prevails in cases where a person is in a position of a terminal illness be it cancer or some other illness where there is no cure and no quality of life going forward. At present there are now many people suffering with no hope of recovery and no dignity which adds to their hopelessness and quality of life

Joy Kelly
