Question

Please list by date when each change to restricted and control areas for banana freckle were gazetted, the area of land and number of properties covered by each gazettal notice.

Answer

This information has been split into two tables to make it easier to display.

Table 1: Summary of dates that gazettes have been declared in relation to banana freckle response

Area	Gazette No:	Date of publication
Howard Springs	S52	6 November 2013
Acacia	S56	12 November 2013
Rum Jungle	S58	15 November 2013
Humpty Doo	S59	15 November 2013
Howard Springs	S1	10 January 2014
Girraween	S8	5 February 2014
Milikapiti	S6	5 February 2014
Humpty Doo	S10	18 February 2014
Humpty Doo, Driver, Noonamah	S19	23 April 2014
Berry Springs, Grey	S25	9 May 2014
Humpty Doo	S32	30 May 2014
Livingstone, Girraween	S35	12 June 2014
Tumbling Waters, Dundee Beach, Dundee Forest, Girraween	S37	16 June 2014

Some suburb/districts have more than one associated gazette as is shown in Table 2.

Table 2:

Suburb/District	No: of Properties in Restricted Area(s) (within 1 km of Infected Premise)	Area of land km ²	No: of properties in Control Area(s) (CA) (within 2-5 km of Infected Premise)	Area of land km ²	Number of associated gazette notices
Howard Springs	473	0.01	1211	73.6	S1, S52
Rum Jungle	17	93.0	85	125.7	S58
Batchelor	280	27.1	310	130.1	S58
Humpty Doo	596	31.1	1715	101.0	S10, S19, S32, S59
Acacia Hills	36	138.3	228	186.0	S56
Virginia	424	13.95	1452	51.1	S1
Girraween/ Herbert	393	19.3	1185	713.6	S8, S35, S37
Tumbling Waters	31	6.2	248	56.2	S37
Milikapiti	163	0.68	211	6044.9	S6
Berry Springs	41	4.9	750	83.2	S25
Driver/Grey	2826	6.1	11558	139	S19, S25
Noonamah	39	12.8	198	61.0	S19
Livingston	39	5.7	212	57.1	S35
Dundee Beach/forest	53	235.5	580	371.7	S37
