Dear Madam Speaker

**TRAVEL TO CANBERRA**

Thank you for approving my travel to Canberra pursuant to Clause 6.1 of the Remuneration Tribunal.

I travelled to Canberra to attend a series of meetings at Parliament House with Federal Ministers and Members in order to advance the interests of the Northern Territory and to build working relationships with elected members and their staff. I also met with the Liberal Party of Australia to introduce myself as a Member in an affiliated party.

It was a very beneficial visit that developed important relationships between myself and the abovementioned.

It is my view that in order to capitalise on this first visit to Canberra, I should continue to visit from time to time in order to further develop these relationships, develop new relationships and most importantly, continue to keep the Territory front of mind.

Yours sincerely
