

## LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

### WRITTEN QUESTION

Mrs Finocchiaro to the Attorney-General and Minister for Justice:

#### **Report on Alcohol Mandatory Treatment**

Has the review of Alcohol Mandatory Treatment that was commissioned by the previous government been received and, if so, when will it be released publically or tabled in the Legislative Assembly?

---

#### **Response**

An independent evaluation of the Alcohol Mandatory Treatment program was commissioned by the CLP Government in late 2015. It was undertaken by PricewaterhouseCoopers Indigenous Consulting (PIC) in partnership with Menzies School of Health Research.

The report "Evaluation of the Alcohol Mandatory Treatment Program" was provided to the Department of Health in February 2017.

The report and the response to the recommendations were published on the Department of Health's website on 21 April 2017:
