4.21 Are we looking at closing Namatjira Camp and relocating everyone from Namatjira camp into other parts of Alice Springs? Will we be relocating those people into town camps or public housing or private housing or into tents?

Answer:

Ongoing dialogue is taking place with the people currently living in White

Gate camp and Namatjira Camp to understand the particular circumstances of the individuals and families.

Northern Territory Government officers are also working with representatives of Lhere Artepe, Tangentyere Council and the Alice Springs Town Council to identify options for these people.

Following this process, recommendations will be made to Government on providing the people involved with improved accommodation and living conditions in line with the overarching objectives of the Alice Springs Transformation Plan.
