Subject: Staff numbers at Office of the Chief Minister, Katherine

From: Mr Terry Mills

To: Chief Minister

Department: Department of the Chief Minister

Number: 3.1

Question: When were staff numbers in Chief Minister's Katherine Office reduced and why?

Answer:

Both incumbents of the positions in the Katherine office resigned; the Administrative Assistant resigned in June 2010 and the Senior Ministerial Advisor resigned in November 2010. Due to the small number of personnel involved, it is preferable not to disclose resignation details.

A new Senior Ministerial Advisor commenced in March 2011.
