Subject: Aeromedical Doctor Based in Katherine

From: Mr Willem Westra van Holthe to Hon Kon Vatskalis
Department of Health

Question: **6-8**
Can the minister please advise whether there has ever been a trained aeromedical doctor based in Katherine?

Answer: Mr Chairman, I have a response to question on notice 6.8. The question was whether there has ever been a trained aeromedical doctor in Katherine. The answer is yes, there has. However, there have not been sufficient doctors to run an aeromedical roster out of Katherine since 2002-03.
