Response to Question on Notice

Question

7.14 - We will take it on notice. Minister, what is the increase in greenhouse gas emissions over the last financial year from the ICT sector as proportion of total global emissions in the Northern Territory? Do you have a number for that one?

Response

NTG ICT Carbon Output

- NTG ICT emissions estimated to represent approximately 0.03% of all NT emissions.
- Increase between 2009-10 and 2010-11 for all NTG ICT emissions estimated at 566 TCO₂.
