Dear Secretary

Re: Training and Skills Development Amendment Bill 2018

Thank you for your invitation to make a submission to the Economic Policy Scrutiny Committee for its inquiry into the Training and Skills Development Amendment Bill 2018.

The Industry Skills Advisory Council NT (ISACNT) is committed to supporting workforce development across the Northern Territory. ISACNT ensure continual and ongoing consultation and communication with local Northern Territory businesses, registered training organisations, schools, employees and Northern Territory Government representing the views of NT industry their skills and training needs and demands.

ISACNT provide advice and intelligence to Department of Trade, Business and Innovation (DTBI) Workforce NT on Vocational Education and Training and skills priorities and any other workforce issues identified through consultations. The advise provided by ISACNT supports DTBI in the development of the Annual Investment Plan and supports the implementation of the VET Investment Framework.

The Industry Skills Advisory Council NT support the amendments to the Bill.

Yours sincerely
