

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mr Higgins to the Minister for Environment and Natural Resources:

**Environment**

1. When it comes to the rehabilitation of mine sites and the sites of other extractive and industrial activities, what are the terms and conditions for this rehabilitation? Who determines these terms and conditions? Can these terms and conditions be changed at any point after the commencement of the operation? Can these terms and conditions be changed without the consent of the operator?
2. On page 201, the Budget refers to “[a]ddressing historical contamination to minimise environmental and health impacts”. Which historical contamination is being referred to here?
