WRITTEN QUESTION

Community Benefit Fund 2006/2007

Mr Elferink to Minister for Justice and Attorney-General

Section 68B(4) of the *Gaming Control Act* requires that an annual report be provided to Parliament regarding the operation and dissemination of the Community Benefit Fund. Essentially the Report cannot be tabled later than October in the next financial year. The 2006-07 Annual Report has not been submitted.

1. Why is the Annual Report still not available even though it is a year late and why has the requirements of the Act not been adhered to.
