

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Ms Fyles to the Minister for Education:

Education

1. Please provide:
 - a. Full staffing level details, including non-teaching positions in all Government schools in the past two years.
 - b. Full details of the \$272 million over four years of federal schools funding announced by the Minister on 3/12/13.
 - c. Full details of annual Commonwealth funding provided for the past two years and the forward years, broken down by national partnership agreement, specific purpose payments and other grants.
 - d. Full details of National Partnership on Early Childhood Development funding and what recurrent funding will be provided over the forward years for staffing and resourcing of the five Territory centres.
 2. What does the Territory Government believe the impact will be on Territory students from the Commonwealth's changes to higher education funding and student support?
 3. Please provide a list of all schools and the number of teachers (all levels), assistant teachers and other staff (by category) employed in the school in May 2012, May 2013, May 2014 and anticipated in May 2015.
 4. Please itemise the \$16.255m in agency savings and efficiencies identified in BP2 including staff cuts, program cuts and other changes.
 5. BP2 includes \$14.5m for "additional funding to support in-school staffing levels." Please itemise this for each school.
