

**Question No : 89**

**Question :** Karguru Primary School  
**Question Date :** 25/02/92  
**Member :** Mrs HICKEY  
**To :** MINISTER for EDUCATION

1. What are the final arrangements for the transfer of Karguru Primary School to a TAFE facility in 1992.
2. Will the Department of Education or the TAFE complex be the leaseholders.
3. Which department will fund ground maintenance, cleaning and the janitor of the building.
4. What funds will each component unit housed at the new facility receive this financial year.
5. Will there be a unified body established to administer this facility, or will it remain only physically joined.
6. Will the Batchelor College Annexe, housing RATE program staff and Aboriginal Health Worker training staff, be incorporated in the building; if not, why not.
7. What is the cost per annum of the arrangements for the Batchelor College Annexe in Tennant Creek and from whom is the office leased.
8. What funds, other than \$150 000 announced in this year's budget and the \$160 000 AEP moneys, will be spent on the Batchelor College Annexe this financial year.
9. What will the \$160 000 AEP money be spent on and under which program.
10. What is the projected budget and expenditure for Tennant Creek Primary School in 1992.
11. What increase in staff and what position will Tennant Creek Primary School receive.
12. Can the Department of Education guarantee the students and parents that Tennant Creek Primary School will be ready to accommodate the extra students at the commencement of term 1, 1992.
13. What are the projected student numbers for Tennant Creek Primary School for 1992 and how many students will the school be able to accommodate without recourse to temporary classrooms.
14. Should Tennant Creek have a population increase that would render it impossible for the Tennant Creek Primary School to accommodate all students, what action would the Department of Education take.
