How much was the total of that funding for that bus service at the Howard Springs centre for the evacuees? There are two parts. I want the bus that was the ferry service which took people into Palmerston and Casuarina—and I think the Darwin city as well. If there was a school bus, then that as well.

ANSWER

As of 30 May, \$227,509.01 was spent on the bus ferrying service into Palmerston, Casuarina and the city; \$120,990.95 was spent on the school bus service.
