**Agency:** Health

**Subject:** Number of worker's compensation claims for hospitals and their costs

---

**QUESTION**

How many hospital employees made workers compensation claims during the reporting period? What was the value of those claims? How much was paid under those claims?

**ANSWER:**

For the reporting period 1 July 2022 – 31 March 2023, there was a total of 104 new claims, 53 incurred a claim cost and the total cost for new claims was \$1,243,205.

<b>NT Health Overall</b>	
Total New Claims	104
New Claims with Claim Cost	53
New Claim Cost (July 2022-March 2023)	\$1,243,205

Please note figures are reflective of all NT Health staff, not limited to hospital staff. Provision of hospital only staff would require verification of each claim manually to ensure location of injury recorded is also reflective of staff members organisational team allocation.
