

## For the teacher:

The following slides can be used to stimulate discussion about rules and laws.

Your students might consider that one or two of the examples do not fall into either category, providing you the opportunity for class discussion.

# Rule Law Both why?

**Rules – apply to people in a group**

**Laws – apply to all members of the community**

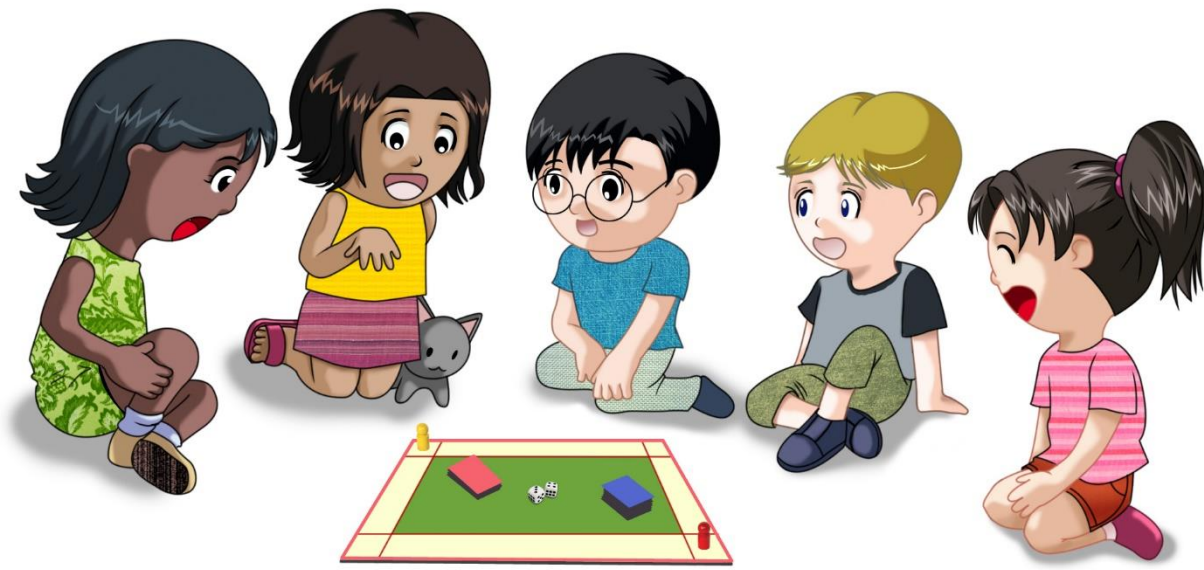

**Every now and again, something can be both a rule  
and a law**

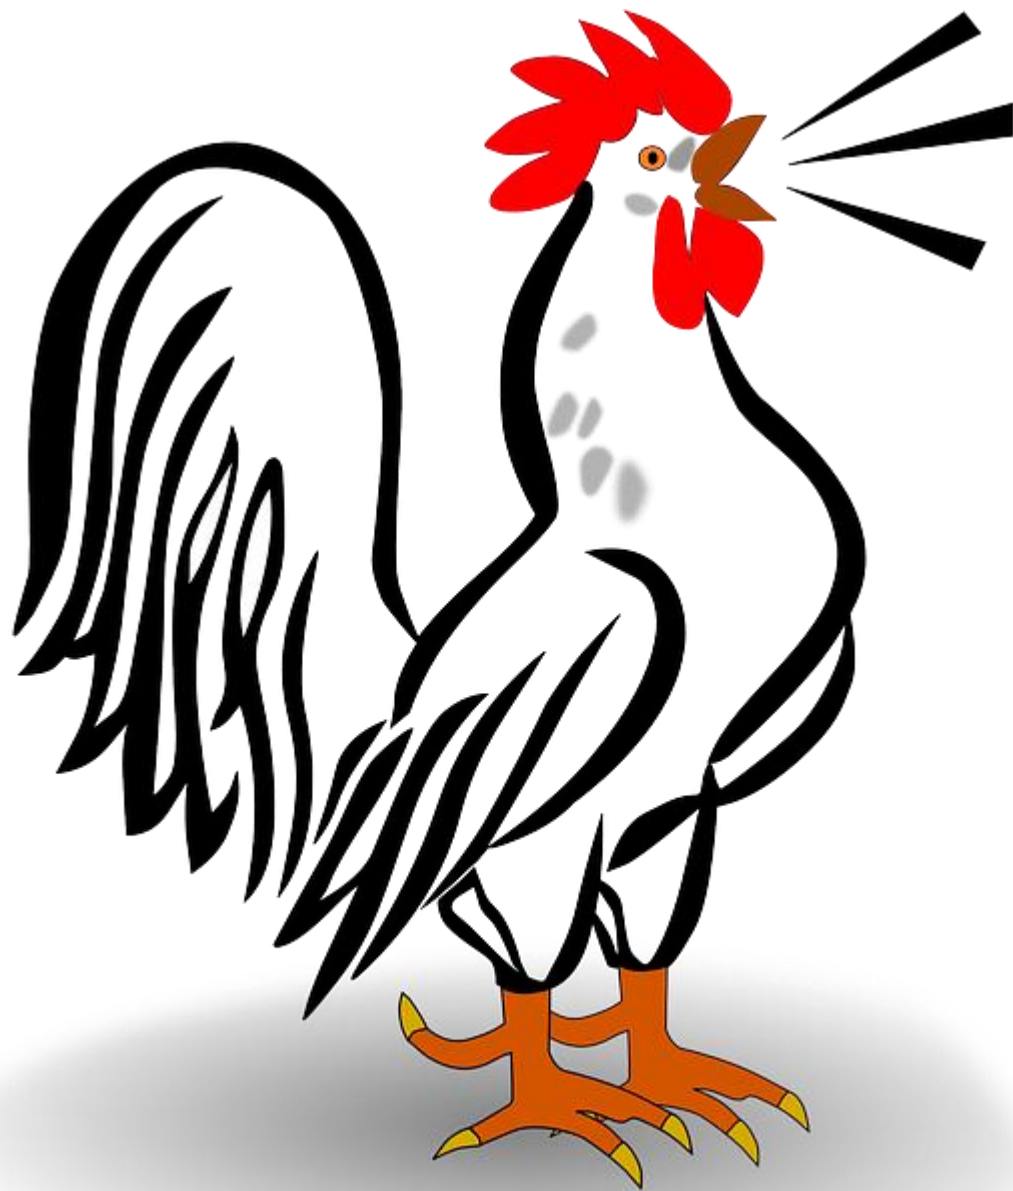

**White shirt**  
tucked in

**Tie**  
worn tight to the  
collar

**Blazer**  
to be worn at all  
times

**Jumper**  
in correct colour  
may be worn
