Dear minister,

I'm writing to you as a concerned citizen and resident of the NT.

I believe the taking of human life through the assisted suicide proposal is wrong and I strongly oppose it.

I believe that humans are created in the image of God, that God has sovereignty over life and that we as humans have intrinsic value, regardless of whether a person is young or old, healthy or sick or anything else.

Again I stress strongly that I oppose any such bill and hope you will do the same.

Your sincerely
Michael Ninneman
