Hello, hope you are having a good day

In case you missed the title, I oppose assisted dying.

I have researched enough history to know that this is how it starts on the march towards things such as the Nazi regime.

It can and will be twisted to get rid of people that are seen as "undesirable", such as those that are heavily disadvantaged by medical conditions.

I am opposed to the voluntary assisted dying legislation that is being proposed.

My name is Elijah Matson
