Subject: Northern Cowboy Association Grant

QUESTION

On page 123 of the annual report under the appendix, the Northern Cowboy Association Incorporated received \$2,000 for 2016 National Rodeo finals. I was just interested in understanding how that fits in under your portfolio?

ANSWER

The Office of Youth Affairs provided the Northern Cowboy Association \$2,000 as a Quick Response Grant to contribute to the airfares and accommodation of nine young people that were invited to attend the National Rodeo Finals in Dalby, Queensland on 4 and 5 November 2016.

Quick Response Grants are managed by the Office of Youth Affairs and provide funding for innovative events, programs or projects that engage young Territorians aged 12 to 25 years.

The Office of Youth Affairs manages the Youth Engagement Grants Program to engage young Territorians through a variety of drug and alcohol free entertainment, youth development and leadership programs.

Grants of up to \$500 are made available for individuals and grants of up to \$2,000 are made available for organisations and community groups.
