Question 4-22

Q: How many additional passengers arrived in the Northern Territory because of the funding to Jetstar?

A:

· On 22 July 2008, the Northern Territory Government and Jetstar Airways Pty Limited (Jetstar) entered into a five year Agreement to establish a Regional International Hub in Darwin.

· In the twelve months following the signing the Agreement (ie. August 2008 to July 2009), domestic and international inbound passengers to Darwin increased by 9.2% (or 73,511 additional passengers) compared to the previous year.
