Subject: Salary Range for Regional Doctors

From: Mrs Robyn Lambley to Hon Kon Vatskalis
Department of Health

6-9

Question: I asked what the salary range was for the regional director positions.

Answer: I have been given the figure for the executive contract level 2 salary package, so this is the full package as it is provided online through the Public Service Commission. It starts at \$189 378 and the highest pay point is \$203 052.
