

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**WRITTEN QUESTION**

Ms J Carney to Minister for Natural Resources, Environment and Heritage

Cane Toads

Minister, considerable time by your government has been put into addressing the invasion of cane toads into the Territory. Interestingly enough the seriousness of the cane toads wasn't addressed until they were literally invading the northern suburbs. They have been in the Territory for a considerable time before that.

1. Can you tell me please Minister what funding is allocated in this budget for cane toad eradication.
