WRITTEN QUESTION NO. 210**

**REPLY TO MR ELFERINK FROM MINISTER FOR ESSENTIAL SERVICES**

**ANSWER**

(a)-(c)

There has been an ongoing program of improvements through the under grounding of the power distribution network in Darwin suburbs.

Power and Water has advised that as at 31 March 2011:

Total number of customers connected = 1952

Number of residential customers to be connected = 10

Total cost to date = \$56,873,059
