

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Ms Purick to Minister for Transport

Road Side Stops, Maintenance

1. How many Government sponsored road side stops providing water, ablution, rubbish collection and barbeque facilities are there in the Northern Territory and on what highways and main roads?
 2. How many additional road side stops are planned elsewhere in the Northern Territory?
 3. What is the cost per facility to construct and establish?
 4. How frequently are the road side stops visited by contractors and either serviced or repaired?
 5. Who undertakes the service and repair work?
 6. If the work is outsourced, what is the cost of the periodic contact?
 7. What is the cost to maintain the road side stops per stop?
 8. In the last 12 months, what repair work has been undertaken on each road side stop?
