WRITTEN QUESTION

Treasurer's Annual Financial Statements 06-07 and 05-06

Mr Elferink to Treasurer

On Page 25 of the 2005-06 TAFS the Actual Audited Total Revenue for the year 2005-06 is determined to be \$3,001,613,000. On the 2006-07 TAFS (page 27) the 2005-06 Actual Audited figure appears as \$3,036,930,000. The difference is \$35,317,000.

1. By what mechanism does a finalised and audited figure change from one year to the next when it reflects the same reporting period.
