

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Ms Fyles to the Minister for Correctional Services:

**Correctional Industries and Employment**

1. What changes have occurred to prevent an escape occurring of a dangerous criminal such as the case at Datjala work camp last year. What classification of worker can now participate in sentenced to a job and other work camps.
  2. Is there an audit process to check that security classifications are adhered to?
