

**No. 170**

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Ms Anderson to the Treasurer:

**Power and Water**

1. The power and water public street lighting usage cost in all shires has increased by 36.57%. Minister The Government is always promoting public and Community safety, lighting is a necessity however how can you justify the price increases when they are astronomical and ill affordable to the community?
