

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Gunner to the Minister for Police, Fire and Emergency Services:

Police Officers and Liquor Stores/Licensed Premises

1. Since 1 September 2012 (listed by month):
 - a. How many police officers have been stationed outside liquor stores and/or licensed premises each month?
 - b. How many liquor stores and/or licensed premises have police officers been stationed outside each month, and which liquor stores?
 - c. What has been the cost of stationing police officers outside liquor stores and/or licensed premises each month?

ANSWER

Note. The patrolling of all liquor stores and/or licensed premises within the Darwin Metropolitan Command occur as a part of general policing of antisocial behaviour and public order. Officers from within the Darwin Metropolitan Command will patrol all liquor stores and/or licensed premises; however, are not stationed at any particular premises.

Temporary Beat Locations (TBLs) are not used in isolation, but in conjunction with other prevention, intelligence and enforcement initiatives. In addition, TBLs emphasis is also on the use of mobile vans and motorbike patrols to target public drinking and other antisocial behaviours. As the concept of TBLs evolved, other methods of operation were implemented such as Full Lockdowns, Strategic Lockdowns or Partial Lockdowns.

The below information has been collated for Alice Springs, Katherine and Tennant Creek. Costings for 2012-13 should be treated as a maximum estimate. In many cases officer were not posted to a TBL for an entire shift and may have been redirected to other duties.
