Ms Finocchiaro to the Treasurer:

**Darwin Turf Club Grandstand Grant (Industry Support Program Funding)**

DTBI's 2018-19 annual report, under the heading "Industry Support Program Funding to Peak Industry Bodies to Assist with Industry Sector Development" records at page 115 that the Darwin Turf Club (DTC) received funding of \$12 million (\$13.2 million including GST).

1. Why was the grant funding paid from this program, when DTC is not a peak industry body?

**Answer**

The ICAC Report affirms Cabinet's prerogative to award grants and made no findings against the Government or any Minister.
