**WRITTEN QUESTION**

Mr Yan to the Minister for Health:

**COVID Hotline**

- 1. How many calls have been made, in total, to the COVID hotline? Please provide a breakdown of the topic or category:**

As at 18 November 2021, 326,106 calls have been made to the COVID-19 Hotline.

The existing reporting system does not enable a report to be generated on the types of calls received and would be too administratively onerous and would result in undue diversion of resources from service delivery.
