Subject: Wait period for remote housing by region

QUESTION

Of the regions discussed in relation to the 5,497 dwellings, could I have the wait period for remote housing for each of those regions?

ANSWER

The average wait times for people on the waitlist for remote housing as of 31 March 2022.

Top End, the waitlist average months is 13. East Arnhem, average months is 14. Big Rivers, average months is 15. Barkly, average months is 24. Central Australia, average months is 10.
